Mr. William Silva, Deputy Director
Radioactive Materials Inspection
Division of Compliance and Inspection - RAM
Bureau of Radiation Control
Texas Department of Health
1100 West 49th Street
Austin, TX 78756-3189

Dear Mr. Silva:

As noted in our October 15, 1999 letter, you have been assigned the Georgia Integrated Materials Performance Evaluation Program (IMPEP) review. The Georgia IMPEP review has been scheduled for April 3-7, 2000 in Atlanta, Georgia. Questions regarding the Georgia review should be directed to the team leader, Mr. Mark Shaffer at 817-860-8287. If you have any general questions regarding the IMPEP process, please contact me at (301)-415-2320. I appreciate your assistance with the upcoming review.

Sincerely,

/RA/
