E/L application for UO2 (reference No. MBK-K3-R6)

Dear Betty,

We would like to submit our E/L application to you, together with our check (\$ 1,700) as per attached.

Our Department (Metals Project Department) takes over the work on uranium transportation (including E/L, notification to NRC) from the Traffic Department due to organization change while Mitsui New York/Traffic Department used to be responsible for uranium transportation.

We would appreciate your kind cooperation on this issue.

Best Regards,

Deputy General Manager
Metals Project Department
