Dear Joe Klinger, Chair:

Colorado will be pleased to participate in the CRCPD pilot program for a "round-up" of unwanted cesium sources. This pilot program should benefit not only Colorado, but also if effective, all radiation control programs.

The lead for Colorado in this project will be Tim Bonzer. He may be reached at (303) 692-3055. If you have any questions, please contact Tim or Jake Jacobi at (303) 69203036.
