Subject: Freedom of Information Act Request

Dear Ms. Reed:

This is a Freedom of Information Act Request pursuant to both 5 USC § 552(a) (3) and 10 CFR § 9.23. I request the Office of Investigation's (OI) Report 1-1999-006, including all appendices and attachments. This report resulted from an OI investigation initiated on February 23, 1999 concerning an alleged act of discrimination against a Chief Shift Operator at the Nine Mile Point Nuclear Power Station, Nine Mile Point Unit 1, Docket No. 50-220.

Additionally, please provide any documents relied upon by OI in preparing its report and documents related to the NRC's finding that the allegation was not substantiated. This information should include, but not be limited to, transcripts of recorded interviews or notes of interviews.

I would appreciate your prompt response within ten working days of the receipt of this request, as provided by the Code and the NRC's policies. I agree to pay such fees as required under 10 CFR § 9.33, et seq, without further authorization, however, please call if fees exceed \$400.00. In addition, please send the response to me only, rather than making it available at the NRC's Public Document Room or on the ADAMS System. Please call me at the number above if there are questions.

Thank you.

Sincerely,

Ophelia G. Williams
