Re: Millstone Unit 2/Waterford CT

Dear Sir or Madam:

This is a request pursuant to the provisions of the Freedom of Information Act for the following, all as pertaining to the Millstone Unit 2 nuclear reactor located at Waterford, Connecticut:

- (1) All records pertaining to the Y2K problem experienced at Millstone Unit 2 over New Year's weekend 1999-2000;
- (2) All records pertaining to unscheduled shutdowns of Unit 2 since November 1, 1999 to the present.

This is to request a waiver of fees. Connecticut Coalition Against Millstone is a volunteer-run coalition devoted to disseminating through the news media and through the community information regarding the operations of the Millstone Nuclear Power Generating Station. The information requested in this letter will be widely disseminated by volunteers in the public interest.

It is important that the requested information be provided promptly because of the importance of disseminating the information to the public.

Sincerely,

Nancy Burton, Esq.
