Subject : Freedom of Information Act Request for Documents Concerning
Docket 30-3753, Byproduct Material License 06-00217-06

Dear Ms. Reed:

Pursuant to the Freedom of Information Act, 5 U.S.C. Paragraph 552, and to the NRC regulations 10 C.F.R. 9 Subpart A, we request that NRC provide a copy of all records and correspondence in its possession which are associated with License 06-00217-06 (Docket 30-3753), including any inter-governmental correspondence concerning License 06-00217-06 or Docket 30-3753.

We have determined that some of the requested documentation exists in the NRC Headquarters Public Document Room, but we believe it is likely that additional documentation resides in NRC Region I files. In 1981, regulatory responsibility for License 06-00217-06 was transferred to NRC Region I, and the Region has subsequently functioned as the cognizant entity for regulatory administration of the license. We request, therefore, that NRC Region I records be searched in response to our request in addition to other document repositories that NRC may search in the course of providing the subject documentation.

We are prepared to pay reasonable costs associated with locating and reproducing the requested documents. We ask, however, that you notify us if the costs are expected to exceed \$300.00.
