NUCLEAR REGULATORY COMMISSION

WASHINGTON, D.C. 20555-0001

March 9, 2000

SECRETARY

MEMORANDUM TO: William D. Travers
Executive Director for Operations

FROM: Annette L. Vietti-Cook, Secretary *Annette Vietti-Cook*

SUBJECT: STAFF REQUIREMENTS - COMJSM-00-0001 - COMMISSION
INTERACTION WITH TRIBAL GOVERNMENTS

The Commission has approved changing the name of the "Office of State Programs" to the "Office of State and Tribal Programs." Because the Office of State and Tribal Programs will be the first contact on Tribal matters, the staff should examine whether it would be more efficient for this office to be more involved with coordinating issues associated with the Tribes. If there would be significant resource implications associated with the recommended change, the staff should notify the Commission.
