SUBJECT: APPROVAL OF EXTENSION REQUEST FOR RESPONSE TO QUESTIONS
ON THE JEFFERSON PROVING GROUND DECOMMISSIONING PLAN

Dear Mr. Nett:

We have reviewed your letter dated March 3, 2000, requesting a 60-day extension to respond to our January 31, 2000, request for additional information (RAI) on your decommissioning plan for the Jefferson Proving Ground site in Madison, Indiana. You stated that you needed additional time for your contractor, Los Alamos National Laboratory, to review the questions because the principal contractor staff just recently returned from vacation. Also, at the February 10, 2000, meeting, you mentioned that the large number of questions and the complexity of these questions will require additional time to answer. Your requested extension to May 15, 2000, is acceptable to us.

We recommend meeting to discuss our January 31, 2000, RAI letter to clarify any questions you may have before you respond. If you have questions or to arrange a meeting, please contact Ms. Sherry W. Lewis of my staff at (301) 415-6619.

Sincerely,
