PART I. -- INFORMATION RELEASED

- No additional agency records subject to the request have been located.
- Requested records are available through another public distribution program. See Comments section.
- APPENDICES Agency records subject to the request that are identified in the listed appendices are already available for public inspection and copying at the NRC Public Document Room.
- APPENDICES **A** Agency records subject to the request that are identified in the listed appendices are being made available for public inspection and copying at the NRC Public Document Room.
- Enclosed is information on how you may obtain access to and the charges for copying records located at the NRC Public Document Room, 2120 L Street, NW, Washington, DC.
- APPENDICES **A** Agency records subject to the request are enclosed.
- Records subject to the request that contain information originated by or of interest to another Federal agency have been referred to that agency (see comments section) for a disclosure determination and direct response to you.
- We are continuing to process your request.
- See Comments.

PART I.A -- FEES

AMOUNT *
\$

- You will be billed by NRC for the amount listed.
- None. Minimum fee threshold not met.
- You will receive a refund for the amount listed.
- Fees waived.

* See comments for details

PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

- No agency records subject to the request have been located.
- Certain information in the requested records is being withheld from disclosure pursuant to the exemptions described in and for the reasons stated in Part II.
- This determination may be appealed within 30 days by writing to the FOIA/PA Officer, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001. Clearly state on the envelope and in the letter that it is a "FOIA/PA Appeal."

PART I.C COMMENTS (Use attached Comments continuation page if required)

The enclosed records were forward to NRC for review by DOE.

SIGNATURE - FREEDOM OF INFORMATION ACT AND PRIVACY ACT OFFICER

Carol Ann Reed

C - LICENSE SPECIFICATIONS

1. Material License Limitation:

This license authorizes Goodyear Aerospace Corporation, at its Akron, Ohio Facilities, to receive title to, own, acquire, deliver, receive, possess, use and transfer normal source materials and special nuclear material in the form of uranium compounds (chiefly in the form of Uranium Hexafluoride (UF₆) as follows:

<u>Type</u>	<u>Quantity</u> <i>68.1 Kg 250 46.7 Kg 400</i>
UF ₆ Source Materials (Normal Uranium)	150# max.
Uranium-235 (up to 93.5% enrichment)	349 grams

The foregoing quantity is the maximum that will be possessed under this license at any one time.

2. Authorized Activities

At its Akron, Ohio Facility the licensee may perform the following activities:

- Receive, store and transfer normal source and special nuclear material.
- Utilize normal source and special nuclear material in Research and Development of uranium enrichment equipment.
- Collect and transfer waste and scrap containing normal source and special nuclear materials and uranium compounds generated in licensee's facilities.

3. Organization:

A special R&D organization has been established to conduct the classified development of Uranium Enrichment Equipment. This organization will be staffed with qualified personnel to properly handle the following disciplines:

Shipping Order 85-017
PROPERTY DESCRIBED BELOW, in apparent good order, except as noted (contents and condition of said contents of packages unknown); marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its own route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.
(Mail or street address of consignee—For purposes of notification only.)
