

March 13, 2000

Mr. Guy G. Campbell
Vice President - Nuclear
FirstEnergy Nuclear Operating Company
Davis-Besse Nuclear Power Station
5501 North State Route 2
Oak Harbor, OH 43449-9760

Dear Mr. Campbell:

In response to your letter dated October 31, 1999, we have tentatively scheduled an initial licensing examination for your operator license applicants during the week of October 2, 2000. Validation of the examination will occur at the station during the week of September 11, 2000.

As stated in the enclosure to your letter dated October 31, 1999, your staff will develop the examination.

Please inform us at your earliest opportunity if you discover you are unable to support the examination on the scheduled dates.

Your letter also requested examinations in 2002 and 2003. We will respond to that request at a later date.

A supplementary letter will be sent to the training department approximately 120 days prior to the examination outlining examination security expectations, listing the materials required by the NRC to conduct the examination, reconfirming the examination dates, and reconfirming the number of candidates you have in the training program. If you have any questions concerning this information, please contact Mary Ann Bies of my staff at 630-829-9711.

Sincerely,

/RA/
