**Updated Proposed Operator License Examination Data Submittal**

- Reference
1. NYPA Letter IPN-99-102, dated September 17, 1999, Robert J. Barrett to the NRC, "Proposed Operator License Examination Data Submittal."
  2. NRC Administrative Letter 99-03, Preparation and Scheduling of Operator Licensing Examinations, dated August 20, 1999.

Dear Sir:

The New York Power Authority (NYPA) provided the proposed schedule for the Indian Point 3 operator licensing examinations by reference 1, in accordance with the guidelines of reference 2. As a result of subsequent changes, NYPA is providing an update to the reference 1 submittal on the attached NRC Form 536. The revised estimated number of applicants planning to take those examinations and the NRC's generic fundamentals examinations (GFEs) is included.

In addition, in accordance with a telephone conversation on March 2, 2000, between NYPA's Mr. Wheeler and the NRC's Mr. Richard Conte, the NRC will prepare the initial licensed operator exam to be administrated in March 2001. NYPA is making no new commitments in this submittal. If you have any questions regarding this submittal, please contact John Wheeler at (914) 788-2901.

Very truly yours,
