(FOIA/PA) 99-252

Ms. Carol Ann Reed
FOI/PA officer
USNRC
Washington, DC 20555-0001

Dear Ms. Reed:

This constitutes an appeal regarding the above and the very well organized response by you dated 15 February, 2000.

On February 11, 2000 the US NAVY forwarded to me documents. One of those (copy enclosed) is the CNO's answer to an NRC Allegation No RI-1999-A-0080 sent to the NRSC. That Allegation is precisely the document(s) I have previously requested and have never received.

I am again asking for the above named Allegation and any other official, final document (not drafts) that the NRC has sent to the CNO or the PSNC in connection with the NAVY's license violation in question.

Sincerely,
José O. Morales MD
