State of California Lic. No. 1777-19, Amendment # 76/Timely Renewal

Dear Ms. Hernandez or Ms. Gruszynski:

Please be advised that we shall be conducting a service call at the following facility,
February 3, 2000, technician Jack Thrall.

*RTS Ref
#000442*

Location: US LPA, 944 Last Harmon Avenue, Las Vegas, NV 89119. We shall package for shipment to JLS&A,
decommission and take possession of a well 6Ci Cs-137 source, which will be removed from the well by the
FPA.

We are also attaching a corrected page to our last submittal of the NRC reciprocity sites. Upon checking with
the LPA regarding the actual address for the sources. We were advised that our list contained warehouse
addresses and not the actual site that the sources are used at.

Is this site considered to be on our list?
If you require additional information, please do not hesitate to contact us.

Very truly yours,
