20. CERTIFICATION (MUST BE COMPLETED BY APPLICANT)

- All information in this report is true and complete.
- I have read and understand the provision of the general license 10 CFR 191.20 printed on the instructions of this form, and I understand that I am required to comply with those provisions as to all equipment, sources, or special nuclear materials which I possess and use in non-agreement states or offshore waters under the general license for which this report is filed with the U.S. Nuclear Regulatory Commission.
- I understand that activities, including storage, conducted in non-agreement states under general license 10 CFR 191.20 are limited to a total of 180 days in calendar year, with that total of 180 days distributed in all non-agreement states which are authorized for an unlimited period of time in the calendar year.
- I understand that I may be inspected by NRC at any time, and that I shall be held liable for activities performed in non-agreement states of offshore waters.
- I understand that conduct of any activities not described herein, including receiving or receiving or status of licensee, shipment from those described above of material NRC nuclear license, may subject me to enforcement actions, including civil or criminal penalties.

21. SIGNATURE OF LICENSEE (Person or firm proposing to conduct the activities described below)
