February 28, 2000  
US NRC  
Region IV  
ATTN: Christi Hernandez  
611 Ryan Plaza Drive  
Arlington, TX 76011-8064

Dear Christi:

I am making the following revision to the initial NRC Form 241 dated December 30, 1999 for the year 2000 as stated on your voice mail February 28, 2000.

Northern Horizons Fabrication will need our services for the week February 28, thru March 4, 2000. Northern Horizons is located approximately 3 miles East of Solway, Minnesota on US HWY 2. This work consists of fabricated pipe welds in their yard.

000656

Contact person for this job is Jerry Thompson with T&K Inspection, Inc. . Phone 701-770-7225.

The job we are working on for Bear Paw Energy near Gillette, WY will be extended thru March 31, 2000. This project is listed on the original 241.
