Meadville, PA 16335

Dear Mr. Winston:

On February 9, 2000 we received an email from Pat Gorman, Conference of Radiation Control Program Directors, Inc. (CRCPD) forwarding three volumes of a QC document (Minimum Quality Control Recommendations For Diagnostic Radiography) prepared by CRCPD's Committee on Quality Assurance in Diagnostic X-Ray (H-7). The volumes submitted include: Volume 1: Dental Facilities, Volume 2: Pediatric Facilities, and Volume 3: Radiographic or Fluoroscopic Machines.

Given that the content of these documents are outside of NRC's regulatory authority, we do not plan to conduct a peer review, and therefore, have no comments. If you have any questions, please contact me or Thomas O'Brien at (301) 415-2308.

Sincerely,

Paul H. Lohaus, Director
Office of State Programs
