Project Directorate I
Division of Licensing Project Management
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

RE: Millstone 3 and all other Nuclear-Related Issues

Dear Mr Nerses

James S. Robinson is on your mailing list for correspondence related to Millstone 3. He is no longer connected with Nuclear Investments for New England Power. He has been replaced by Cynthia Arcate, Vice President of Generation Investments. Please address all future correspondence to Cynthia.

Thank you.

Sincerely,

Joan Richards
