DISCLAIMER

This is an unofficial transcript of a meeting of the United States Nuclear Regulatory Commission held on March 30, 2000, in the Commission's office at One White Flint North, Rockville, Maryland. The meeting was open to public attendance and observation. This transcript has not been reviewed, corrected or edited, and it may contain inaccuracies.

The transcript is intended solely for general informational purposes. As provided by 10 CFR 9.103, it is not part of the formal or informal record of decision of the matters discussed. Expressions of opinion in this transcript do not necessarily reflect final determination or beliefs. No pleading or other paper may be filed with the Commission in any proceeding as the result of, or addressed to, any statement or argument contained herein, except as the Commission may authorize.

P R O C E E D I N G S

[9:01 a.m.]

1
2
3 CHAIRMAN MESERVE: Good morning. Before we get
4 started with today's briefing, I think we have two
5 affirmation matters. Madam Secretary, proceed.

6 MS. VIETTI-COOK: The Commission is being asked to
7 act on a memorandum and order responding to the Petitioner's
8 request to grant them leave to intervene in the Commonwealth
9 Edison Company request for an exemption for both units of
10 design facility from certain requirement in the NRC's
11 regulations involving physical security.

12 The Commission has voted to approve a memorandum
13 and order with attached changes which denies the
14 Petitioner's request for intervention on the grounds that
15 one, the Atomic Energy Act does not mandate that a hearing
16 be offered on an exemption request and two, the Petitioners
17 have not demonstrated their standing to request a hearing.
18 Would you please affirm your votes?

19 [All ayes.]

20 MS. VIETTI-COOK: Second item, the Commission is
21 being asked to act on a memorandum and order responding to
22 two appeals filed by Envirocare of Utah, Inc. regarding
23 petitions to intervene and two separate license amendment
24 requests requested by International Uranium Corporation. In
25 both proceedings, the presiding officer dismissed Envirocare

1 for lack of standing. The Commission has voted to approve
2 an order affirming LBP-99-11 and LBP-99-20. Would you
3 please affirm your votes?

4 [All ayes.]

5 MS. VIETTI-COOK: That's all I have.

6 CHAIRMAN MESERVE: Thank you.

7 [Whereupon, at 9:03 a.m., the affirmation session
8 was concluded.]
