FOR IMMEDIATE RELEASE

NOTE TO EDITORS:

A predecisional enforcement conference between Nuclear Regulatory Commission staff and representatives of Windham Community Memorial Hospital to discuss apparent violations of agency requirements at the Willimantic, Conn., facility has been rescheduled for Tuesday, July 28. The meeting was originally scheduled for July 13 but had to be postponed.

The session will begin at 1 p.m. in the Public Meeting Room at the NRC Region I office in King of Prussia, Pa., and will be open to the public for observation.

Several apparent violations involving the hospital's nuclear medicine program were identified during an NRC inspection on May 26 and 27.
