MEMORANDUM FOR: All Government Contracting Officers with Cognizance of Hughes Global Systems, Inc., (HGS) Contracts

SUBJECT: Novation Agreement of HGS under GSA Contract GS00T00NSD0006

To Whom It May Concern:

This memorandum is being sent to notify you of the changes to the Hughes Global System (HGS) as a result of Novation Agreement (see attached).

The following background information is provided:

As of March 7, 2003, substantially all of the assets from HGS transferred to PanAmSat (parent company) by virtue of an Assets Purchase Agreement. On November 21, 2003, PanAmSat changed the name of one of its subsidiaries, HGS, to G2 Satellite Solutions Corporation (G2). On February 5, 2004, PanAmSat contributed assets it had previously acquired from G2 by an Assets Purchase Agreement. On February 18, 2004, Novation Agreements executed by G2, PanAmSat, and GSA and G2 became liable for performing all contract requirements of the GSA Contract GS00T00NSD0006.

It is advised that all existing delivery/task/purchase orders under GSA contract GS00T00NSD0006 should be modified to reflect the contractor's name change from HGS to G2. In addition, all future delivery/task/purchase orders under this contract shall utilize the contractor's name from HGS to G2. A list of the impacted contracts is shown under Novation Agreement.

Please contact the undersigned at 703-306-6463 or [june.campany@gsa.gov](mailto:june.campany@gsa.gov) if you have any further questions regarding this novation agreement.

## NOVATION AGREEMENT

**HUGHES GLOBAL SERVICES, INC.** of TAX ID # 95-4659709 (the "Transferor"), a corporation duly organized and existing under the laws of the State of Delaware with its principal office in El Segundo, CA; **G2 SATELLITE SOLUTIONS CORPORATION** of TAX ID# 01-0667473, a corporation duly organized and existing under the laws of the State of Delaware with its principal office in El Segundo, CA. (the "Transferee") and a wholly-owned subsidiary of PanAmSat Corporation, a corporation duly organized and existing under the laws of the State of Delaware ("PanAmSat"), with its principal office in Wilton, CT; and the **UNITED STATES OF AMERICA** (the "Government") enter into this Agreement as of March 7, 2003.

### A. THE PARTIES AGREE TO THE FOLLOWING FACTS:

(1) The Government, represented by June Company, Contracting Officer of the General Services Administration, Federal Technology Service, has entered into certain contracts with the Transferor, as shown in the attached lists marked "Exhibit A1" and "Exhibit A2" and incorporated in this Agreement by reference. The term "the contracts," as used in this Agreement, means the contracts on Exhibits A1 and A2 and any purchase orders entered into thereunder, including any modifications thereto, made between the Government and the Transferor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Transferor has any remaining rights, duties, or obligations under these contracts and purchase orders). Included in the term "the contracts" are also all modifications made under the terms and conditions of these contracts and purchase orders between the Government and the Transferee, on or after the effective date of this Agreement.

(2) As of March 7, 2003, substantially all of the assets of the Transferor were transferred to PanAmSat by virtue of an Asset Purchase Agreement entered into among Transferor, Hughes Telecommunications & Space Company (HTSC), Hughes Electronics Corporation (HE) and PanAmSat. HTSC and HE are the prior owners of the assets of Transferor.

(3) On November 21, 2003, PanAmSat changed the name of one of its subsidiaries to Transferee or G2 Satellite Solutions Corporation ("G2SSC").

(4) On February 5, 2004, PanAmSat contributed the assets it had acquired from Transferor and its prior owners along with certain other government business assets to the Transferee by virtue of an Asset Purchase Agreement from PanAmSat to Transferee.

(5) Going forward, Transferee will conduct PanAmSat's business of providing satellite based value added services to the U.S. Government and other customers and will perform the contracts referred to on Exhibits A1 and A2.

(6) The Transferee has assumed all obligations and liabilities of the Transferor under the contracts by virtue of the above transfer.

(7) The Transferee is in a position to fully perform all obligations that may exist under the contracts.

(8) It is consistent with the Government's interest to recognize the Transferee as the successor party to the contracts.

(9) Evidence of the above transactions has been filed with the Government.

**B. IN CONSIDERATION OF THESE FACTS, THE PARTIES AGREE THAT BY THIS AGREEMENT—**

(1) The Transferor confirms the transfer to the Transferee of, and waives any claims and rights against the Government that it now has or may have in the future in connection with, the contracts.

(2) The Transferee agrees to be bound by, and to perform each contract in accordance with, the conditions contained in the contracts. The Transferee also assumes all obligations and liabilities of, and all claims against, the Transferor under the contracts as if the Transferee were the original party to the contracts.

(3) The Transferee ratifies all previous actions taken by the Transferor with respect to the contracts, with the same force and effect as if the action had been taken by the Transferee.

(4) The Government recognizes the Transferee as the Transferor's successor in interest in and to the contracts. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor in and to the contracts as if the Transferee were the original party to the contracts. Following the effective date of this Agreement, the term "Contractor," as used in the contracts, shall refer to the Transferee.

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

(6) All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the contracts, shall be considered to have discharged those parts of the Government's obligations under the contracts. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government's obligations under the contracts, to the extent of the amounts paid or reimbursed.

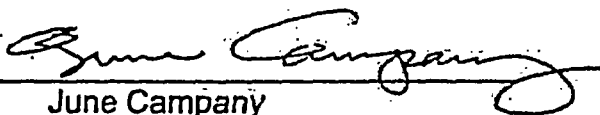

(7) The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer or this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the contracts.

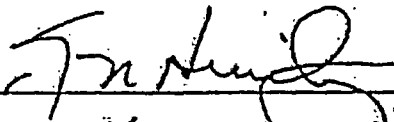

(8) The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee (i) assumes under this Agreement; or (ii) may undertake in the future should these contracts be modified under their terms and conditions. The Transferor waives notice of, and consents to, any such future modifications.

(9) The contracts shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement as of the day and year written below.
