Subject: Draft report of New York/NRC 2006 Meeting

Alyse:

Good Morning. I have completed the draft write up detailing our meeting on Oct 31, and capturing the Action Items as Dave, Yen, and I documented them. Before I finalize this, I want to give you the opportunity to review it and provide any comments or feedback. Please give me a call or send an email with any thoughts you have on the report.

Thank you!
Marjorie
