Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Need to Renew License	
Summary:	<p>I left a message on Mr. Granlund's voice-mail for him to get back in touch with me concerning a renewal application for the license.</p> <p>8/27/2007 13:00 Mr. Granlund did not realize that the license was coming up for renewal. The licensee receives samples for reactors once or twice a year and there is a flurry of activity at that time. He would see to it that management was notified and set the process going for the submission of a request to renew the license.</p>
