Subject: JPG Fracture Trace

Hi Allen, Couldn't get your phone to pick up. Try this file. Use NAD 83 UTM Zone 16N. Let me know if it works please. See you, Ron

Hello Ron,

Any idea when you'll be sending more data, such as the fracture trace analysis and electronic imaging data?

Hi Allen, Let's start here. There have been any number of map datum applied to JPG. I would begin with NAD 1927 UTM zone 16N in meters with

your initial layer and go from there. I am sure we will have to make adjustments as we go. Later, Ron
