Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Licensee Questions and Comments on RAI dated July 25, 2007	
Summary:	The licensee and I went over my letter dated July 25, 2007. They had collected much of the information but wanted to review the items that they had collected. I told them to submit as much information as they could. They said that I should receive the information around the end of September. They pointed out two errors in my letter. The license 41-06831-09 should have been 41-06832-09 and in 6.I. Chlorine 36 was added on September 11, 1964 and not September 11, 2004.
