SUBJECT: UNIFORMED SERVICES UNIVERSITY OF HEALTH SCIENCES, REQUEST FOR ADDITIONAL INFORMATION CONCERNING FINANCIAL ASSURANCE DOCUMENTS, CONTROL NO. 138384

Dear LTC Hamilton:

This is in reference to your letter dated June 12, 2007 providing financial assurance documents to the Nuclear Regulatory Commission for License No. 19-08330-03. In order to continue our review, we need the following additional information:

Note that it is not clear from review of the Defense Instruction you have provided that the Director of AFRRRI can release funds for financial assurance. It appears that the President of USUHS may exercise authority over funds but that the Director's role is primarily as a communicator. Please provide additional clarification or revise the Statement of Intent and Certification Statement to indicate an individual who is authorized to release the funds.

Current NRC regulations and guidance are included on the NRC's website at [www.nrc.gov](http://www.nrc.gov); select **Nuclear Materials; Medical, Academic, and Industrial Uses of Nuclear Material; Regulations, Guidance, and Communications**. You may also obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-866-512-1800. The GPO is open from 7:00 a.m. to 8:00 p.m. EST, Monday through Friday (except Federal holidays).

We will continue our review upon receipt of this information. Please reply to my attention at the Region I Office and refer to Mail Control No. 138384. If you have any technical questions regarding this deficiency letter, please call me at (610) 337-5303.

If we do not receive a reply from you within 30 calendar days from the date of this letter, we will assume that you do not wish to pursue your application.

Sincerely,
