Re: Report

John:

We are in the process of reviewing the entire Draft EIS for the Plant Vogtle ESP site so the USGS document review will not be finished this week. We'll try to get it done by the end of next week.

Mark--I wanted to check on the status of the NRC review of our ground-water modeling report. We have completed much of the USGS review and need to incorporate your comments prior to submittal for final USGS

approval.

When do you think NRC will complete its review?
