**SUBJECT: Resubmission of Electronic Copy of Mixed Oxide Fresh Fuel Package  
License Amendment, Docket No. 71-9295 (TAC No. L24054)**

This transmittal contains an electronic file of the Mixed Oxide Fresh Fuel Package, Revision 5, Docket No. 71-9295. Paper copies of the Safety Analysis Report were included with the August 15 transmittal. The electronic copies of the SAR included with the August 15 transmittal did not comply with the requirements for electronic submission of documents set forth in *Guidance for Electronic Submissions to the NRC*, June 6, 2007. These problems have been corrected.

If you have any questions or comments regarding this submittal, please contact me at (253) 383-9000 x26, or at [fred.yapuncich@areva.com](mailto:fred.yapuncich@areva.com). You may also contact Rick Migliore at (253) 383-9000 x24, or at [rick.migliore@areva.com](mailto:rick.migliore@areva.com).

Sincerely,
