Subject: IPEC July Groundwater Sampling

Hello,

This is just a reminder that we will begin another round of sampling this Monday, July 23rd, starting with MW40, as indicated on the schedule. The sampling of the waterfront wells will begin Wednesday, July 25th.

Please note that MW67 will *not* be sampled on Monday, July 30th, as indicated. I will be sure to notify you when this well is ready for sampling.

Thanks,
--
