Subject: DFI issued to FENOC

at about 4:30 today. Caldwell is in process of calling FENOC, prior to all of the other notifications that have to take place from the comm plan.

Thanks Jay for all of your effort last week - I'm really glad to see that all the effort wasn't wasted and the DFI was issued. That was quite a short turnaround from Tuesday to Monday. Everyone really pulled together.

Thanks.
Michele

PS: You deserve to take a couple days off - or at least work-at-home.....
