

## 13.4 Review and Audit

The information in this section of the reference ABWR DCD is incorporated by reference with the following supplement.

### 13.4.1 COL License Information

The COL License Information item in ~~the~~ reference ABWR DCD ~~Section~~ Subsection 13.4.1 states in part that provisions for the independent assessment of activities for safety enhancement should be provided in accordance with TMI Action Item I.B.1.2. Appendix B to NUREG-0933 indicates that TMI Action Item I.B.1.2 regarding an independent safety engineering group is not a residual generic safety issue that is applicable to operating and future reactor plants. South Texas Project does not maintain an Independent Safety Engineering Group.
