RE: Import License Application IW023

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Dear Sirs,

I would like to express my disappointment at the request made to the Nuclear Regulatory Commission for an application to import radioactive waste from Italy (or any other country, for that matter). It is my belief that every country should bear the responsibility of disposing of their own waste. Please vote no concerning this Import License Application IW023. Thank you for your hard work, and for listening to the views of the public you serve.

Sincerely,

Linda G. Bounds
