Subject: Waste and jobs in Tn

Dear Congressman Gordon,

I truly don't want to keep seeing the US going down hill the way it has been. We have given away good jobs for the people in the US to other Country's, and now we're supposed to get rid of there waste. No Thank you.

I must also tell you I am very tired of seeing almost everything I buy coming from China. The way they treat there people is awful and yet we accept it as long as we can make out somehow. It's not good enough. Please can't you in Congress do something to help us and them. We need jobs back an they need more freedom. The US isn't getting anywhere with these people.

**Thank you,
Beverly Lee**
