Betty,

Another email & document for ADAMS in docket WM-110. Again public and non-sensitive.

Thanks,
Mike

Mike,

I am forwarding the e:mail from Jacobs with the revised Section 7.0 and 7.1 in case something happened when I saved it. Sorry for the delayed response (been out of office). See you Monday a.m. - will show up at 8:30 or so for security processing.

Thanks, Joel

The attached page (s) have been edited for the correct volume of excess material which was on page 7-1 of Rev. 1 Final RAP. The original excess volume was just for the wedge.

Bill Barton is working to get the revised cover calculations out today. Had some computer issues with pdf files.
