Subject: Telecon to Discuss Metal Enclosed Bus and AFW system

Mike and Donna,

I've arranged for a telecon on Friday, May 30 at 11:00 am EST to discuss:

- 1) the staff's evaluation of Entergy's proposed approach for inspection of metal enclosed buses
- 2) follow up on Entergy's response to RAI 2.3A.4.2-2--the staff needs clarification on which portions of the AFW system are discussed or evaluated elsewhere in the LRA.

Three lines will be available for Entergy. If you need additional lines, please let me know by the end of today.

The toll-free number is:

1-800-619-8546

The pass code is:

62565#

If you have any questions, please let me know.

Thanks,
Kimberly Green
