Subject: RE: Draft Telecon Summary--April 3, 2008 on Metal Fatigue, Bolted Connections, and Boraflex

Mike,

Thanks for the comments/corrections. I will make the changes and issue the telecon summary.

Thanks,
Kim

Subject: FW: Draft Telecon Summary--April 3, 2008 on Metal Fatigue, Bolted Connections, and Boraflex

Mike,

I think it is important to include reference to the FMP and 54.21(c)(1)(iii) in the discussion that is citing information from one of our prior responses. Also, I included a few other minor suggestions.

Alan

Don & Roger,

Please review the attached telecom summary and provide me any comments or corrections that you might have. If you have no comments or corrections, please let me know.

Thanks
Mike
