Subject: Upcoming Telecons

Mike,

I have tentatively scheduled the following telecons:

Monday, 4/14 1:00 pm EST (I know this is lunch time for you all) \* Underground Cables  
Wednesday, 4/16 2:00 pm EST \* Responses to Structures RAIs

For the latter, I have the reviewer's follow up questions/need for clarification, but I have to go over the issues with him. As soon as I do, I will send you an email and let you know the RAI response numbers and issues.

I have not yet arranged for the lines, but will send you that information as soon as I it.

Please let me know if these two dates and times will work for Entergy.

Thanks,  
Kim
