South Texas Project
Units 3 and 4
Docket Nos. 52-012 and 52-013
Proprietary Level 1 Schedule for STP Units 3 & 4

STP Nuclear Operating Company (STPNOC) is providing a proprietary Level 1 schedule for STP Units 3 & 4 as requested by Nuclear Regulatory Commission (NRC) staff. STPNOC will be providing an updated schedule to the NRC later this summer when the next revision is available.

STPNOC's ABWR Project Preliminary Rev A Level 1 Schedule showing Level 1 Milestone Activities is provided as an attachment to this letter. This schedule is submitted as proprietary information, and we request that it be withheld from public disclosure pursuant to 10 CFR 2.390(a)(4). The attached affidavit provides the support for this request.

There are no commitments in this letter.

If there are any questions regarding this schedule, please contact me at 361-972-7274 or Greg Gibson at 361-972-4626.

AFFIDAVIT

I, William J. Jump, being duly sworn, hereby depose and state that I am Plant General Manager, South Texas Project Units 3 & 4; that I am duly authorized to sign and file with the Nuclear Regulatory Commission this letter and the attached preliminary Level 1 Schedule for STP Units 3 & 4 ABWR Project; that I am familiar with the content thereof; and that the matters set forth therein pertaining to the statements that justify withholding the information from the public pursuant to 10 CFR 2.390 are true and correct to the best of my knowledge and belief. The schedule contains details that are owned by STPNOC, have been held in confidence, not disclosed to the public and not publicly available, have been internally distributed only to essential personnel, and constitute privileged and confidential information. This type of schedule information is customarily held in confidence by STP Nuclear Operating Company. Use of the information by a competitor would reduce the competitor's expenditure of resources, or otherwise improve its competitive position, in the design, manufacture, shipment, installation, assurance of quality, or licensing of a similar product (Competitive Advantage).
