UNIT 1 AND UNIT 2 NUCLEAR DECOMMISSIONING TRUST  
AGREEMENTS

---

**Docket Nos. 50-387  
and 50-388**

The June 6, 2000 Order approving transfer of licenses and conforming amendments for the Susquehanna Steam Electric Station Units 1 and 2 provides that the nuclear decommissioning trust agreements for Susquehanna Station Electric Station Units 1 and 2 must provide that the agreements cannot be amended in any material respect without 30 days prior written notification to the Director, Office of Nuclear Reactor Regulation.

We have been notified by Mellon Bank, N.A., trustee of our nuclear decommissioning trusts that Mellon Financial Corporation is currently scheduled to merge effective July 1, 2008 with the Bank of New York Company. As part of this merger Mellon's various banking entities are being reorganized and as a result, the Bank of New York Mellon will, by operation of law, become the successor entity to Mellon Bank, N.A.

Although we do not believe that this successorship is a material amendment to the Nuclear Decommissioning Trust, we wanted to advise you of this change in the event you have any questions.

If you have any questions or require additional information, please contact Mr. Rocco R. Sgarro at (610) 774-7552.
