May 30, 2008 (4:00pm)

OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

From: Thomas McElhinney

7454 S. Swift Rd. #5  
Goodlettsville, TN, 37072,

registered voter since 1982.

To: U.S. Nuclear Regulatory Commission,  
Washington, DC 20555,

Attention: Rulemaking and Adjudications,

Reference - Energy Solutions Import License Application - 1W023

Sirs,

In regards to the above mentioned application,  
I think it would be, not only a bad idea but  
criminal to allow the importation of nuclear  
waste into the United States.

Do not even consider such an act.

sincerely,

Thomas McElhinney
