

Hearing Docket

From: Merc [Merc170@darkshark.com]
Sent: Friday, May 30, 2008 4:10 PM
To: Hearing Docket
Subject: EnergySolutions Import License Application IW023

To whomever it concerns:

This note is to inform the members of the commission that I am totally against any action that would allow any importation of radioactive or nuclear waste of any kind.

We do not want or need to be the dumping ground for anyone.

Please consider the wishes of myself and many others and deny any applications to burden our country with the accompanying problems which would be many.

Thank you

Maurice Williams
Hendersonville Tennessee
