

June 6, 2008

Mr. Pierre Nocture, Fuel Cycle Safety Specialist
Department of Nuclear Safety and Security
International Atomic Energy Agency
Wagramer Strasse 5, P.O. Box 100
A-1010 Vienna, Austria

SUBJECT: Fuel Cycle Information Exchange Conference

Dear Mr. Nocture:

It is our pleasure to invite you to present a session on International Atomic Energy Agency (IAEA) fuel cycle activities during the Fuel Cycle Information Exchange (FCIX) conference arranged by the Division of Fuel Cycle Safety and Safeguards of the U.S. Nuclear Regulatory Commission (NRC). The FCIX will take place from June 17-19, 2008, at NRC headquarters in Rockville, Maryland. We also wish to invite you to visit the Mixed Oxide Fuel Fabrication Facility (MFFF) under construction in Aiken, South Carolina, during your stay in the United States. A member of my staff would be pleased to accompany you on that visit.

We understand that all expenses incurred in connection with your participation at the FCIX and visit to the MFFF will be paid for by the IAEA.

Please direct your response to Margie Kotzalas of my staff via e-mail at margie.kotzalas@nrc.gov or via telephone at 301-492-3202. We will be happy to answer any questions you may have about the FCIX.

Sincerely,

/RA/

Michael Weber, Director
Office of Nuclear Material Safety
and Safeguards
