Sorry,

This is what was sent earlier today that may have looked like garbage. It was an out look scheduler.

Mallecia,

We will be glad to support the November 28, 2007, Environmental Report teleconference at 3:00-4:00 PM. Would you please provide us with a list of issues you would like to discuss in advance, so we will have the correct personnel available for that discussion. The bridge line is 888-396-9178 pass code 2449733.

Thanks,

Phillip M. Ray
