## **Transmission Lines**

Section 2.2.2 - It may be necessary to obtain further descriptions of the transmission corridors with regard to terrestrial and cultural issues. Section 3.7 refers to surveys completed on topic during original application, but no details are provided.

Section 2.5.3 - Details of cultural resources surveys for the transmission lines are not clear.

## **Cultural Resources**

Section 2.5.3 - Only the Alabama SHPO and affected Tribes in the region were contacted. More effort to contact historical organizations or family members who may continue to visit the two historic cemeteries located in closed proximity to the BLN site may be warranted (2.5.3, 4.1.3, and 5.1.3)
