Mallecia,

I wanted you to know that in 3 places in the afternoon transcript I changed our binning from "opposition to plant" (bin 27) to "opposition to Licensing Action" (bin 24). As I reread the binning guidance I realized when I first began binning, I had those two merged in my mind (thought they were about the same), but in reading the guidance, I realized all 3 comments should have been in bin 24...you can see them on p. 104 line 5, p. 100, line 4, and p. 95 line 19. If you do not agree, let me know and I can change them back. Bev!
