Laura,

Please find attached the public version of the ER that I sent AV to make the DVDs. I got this from the NRC public website. I've requested from DocuTech to have a hard copy made, but I did not request a color copy. When you put in the request for the Lee ER check to see if the request I put in is done. They may have done it in color. I'm not sure. If they did then we don't need to have another one made. Thank you.
