It would be either Bev Sweeney or Carolyn Lauron

To pay for the HS (as well as other needed meeting equipment) a Inform 30 should be filled out. I just spoke to Linda about this issue. She is trying to find out who our Division or Office contact is....

Elinor,

I contacted the Gaffney High School in South Carolina, and they have a potential location for the public meeting that needs to be held for Lee. The HS says they rent out their 900+ seating capacity auditorium for \$400 for 4 hours plus \$75 dollars for every hour after. Thus, if I were to rent out this space it would cost \$550. Included would be the use of the audio/visual equipment. If I decide to use this space and the HS sends me a contract, do I pass the contract onto you so it can get paid or what would do I do with the contract? Thanks.

Linda Tello
