Mr. Villarico,

The NRC has not yet received the transcripts from the court reporting agency. We should be receiving them sometime later this week or early next week. I will let you know a release date as soon as the document is available.

Dear Ms. Tello,

I would like to obtain a copy of the transcript for the scoping meeting that was held last May 1, but it still is not available on ADAMS as of today. Could you please provide information on whether a release date and ML number have been designated? Thank you.

Sincerely,
