Rusty,

So far we have representatives from EPA, DNR, FWS (NC & SC), SC Office of Reg. Affairs, and US Army Corps planning to attend at least the site tour/resource agency meeting on Tuesday.

We welcome DHEC's comments during the scoping period. I look forward to meeting you down there at the end of the month.

Thanks,
Jessie

Thanks Ms. Muir,

You can call me Rusty.

I'll discuss this with Chuck Hightower, my section manager, and maybe Heather Preston, our Division Director, and then let you know soon which events DHEC will participate in and who will participate. At the very least, I'll be attending the site visit. We will probably also submit comments about our permitting/certification requirements and Duke's Environmental Report. Which agencies are going on the site visit so far?

Rusty

Wed, April 30th – Charlotte, North Carolina – documentation review at Duke offices; and
Thurs, May 1st – Gaffney, South Carolina – open house (5-7p) and public meeting (7-10p) at Gaffney High School.

The Environmental Report, submitted by Duke Energy as part of their license application, can be found online at:
