To the Atomic Safety and Licensing Board for the *Millstone*, uprate proceeding, Docket No. 50-423-OIA:

Commission legal advisors have recommended to the Office of the Secretary that the attached Motion of the Connecticut Coalition Against Millstone and Nancy Burton be referred to the *Millstone* Board for consideration and appropriate action. The motion addresses an earlier Motion dated July 18, 2008, that requested consideration of amended contentions based on "new information". That motion was not docketed by the Office of the Secretary for failure of the Coalition and Ms. Burton to use the e-filing system for service. The rejection e-mail and the July 18th Motion are attached for reference.

Kindly consider the above and attachments and take action deemed appropriate. Notwithstanding participants in the proceeding are being copied by this e-mail, a copy of this e-mail with attachments rendered in PDF format will be serve on the e-filing docket for *Millstone*.
