SUBJECT: NORTH ANNA POWER STATION – INDEPENDENT SPENT FUEL STORAGE  
INSTALLATION VISIT

Dear Mr. Wakeman:

On behalf of the U.S. Nuclear Regulatory Commission, I am writing to thank you for your outstanding support in planning and coordinating the NRC staff's visit to the North Anna Nuclear Power Station on August 6, 2008. We very much appreciate the arrangements you made for our staff to visit both the power plant and the Independent Spent Fuel Storage Installation. The opportunity for the 16 NRC staff to visit your site and see first-hand the implementation of the nuclear programs which we regulate was very informative for us all. Please pass along our thanks and appreciation to all the members of the Dominion Resources management and staff who very ably assisted in our visit.

We thank you for your assistance in making the site visit such a success.

Sincerely,
